***Action Sports Center Chosen as Dayton Lacrosse Club's (DLC) Home Site***

Dayton, Ohio – June 8<sup>th</sup>, 2010 – Action Sports Center, 1103 Gateway Drive, located off Route 4 at the Stanley Ave exit, is proud to announce that The Dayton Lacrosse Club (DLC) has chosen Action Sports Center as the Home of Dayton Lacrosse.

The DLC will use Action Sports Center facilities for its outdoor practice and game schedule as well as utilizing the facilities for its indoor training needs.

Mike Murphy, Managing Partner for Action Sports Center stated, "I am extremely excited about working with the DLC and its partners. Lacrosse is an incredibly exciting game and growing sport and we at Action Sports are looking forward to working with the DLC to expand the sports exposure to the region."

Collaboratively, Action Sports Center and the DLC will be offering Lacrosse training camps, individual and group lessons, indoor winter leagues as well as hosting its first ever "Wings Over Dayton" Lacrosse tournament scheduled for June 24-26, 2011.

Patti Jo Vore, Vice President of the DLC stated that, "Dayton Lacrosse has been nomadic when it comes to having a home field, but this opportunity with Action Sports will give us great comfort in knowing where our whole club (K-12 grade boys and girls) will be able to practice and play all their home games. Having the facilities of Action Sports will allow DLC to continue its mission "growing lacrosse in the Dayton Area" as we now reach out to the North. DLC is big on teaching the basics, challenging our player's skills and most importantly DLC is a club where everyone gets the opportunity to play. "
